

LEGION 610MM 12V AMBER AUTODIM

Art.no: 14-LDA610-12

Legion warning light bar with auto-dim function. A low-profile light bar, only 59 mm high. The bar is E-approved according to R65 class 2. Bright LEDs with 120° light spread provide a powerful and visible light. The light bars are fully equipped with XLED flash modules in all positions, 12 LEDs in each corner, and XLED with 6 LEDs front-back. The bar also has automatic day/night switching. Mounting bracket for surface mounting and about 3 m cable are included, other brackets are available as accessories.
