

EXTRALJUSPAKET VOLVO FL/FE SOLSK TR1000P

Art.no: 34-1000PFLFE

An auxiliary light package for mounting on the original sun visor of Volvo FL and FE. The installation requires no modifications to the sun visor, as the existing mounting points are used, ensuring a quick and smooth setup. The package includes two Lazer Triple-R 1000 auxiliary light bars with position lights and brackets. The Lazer Triple-R 1000 provides excellent illumination with a power output of 88W per unit. Each light delivers 1 lux at 612 meters.
