

ARIES LIGHT BAR POS 21"

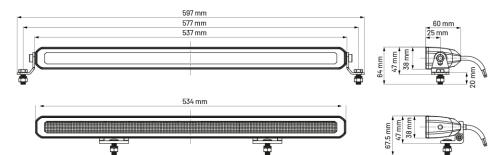

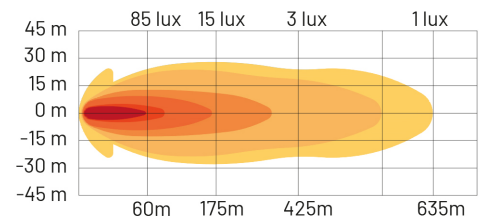

Art.no: 12-216012

Aries is a slim auxiliary light bar with a tinted lens and position light, 120W. The bar is approved according to ECE R149, and the position light is an ECE R7 E-mark approved white light. Constructed with a robust die-cast aluminum housing, the bar is built to withstand tough work environments. The cast housing, combined with a dark-tinted lens made of impact-resistant polycarbonate, ensures long lifespan and superior durability. The bar illuminates with 1 lux at 635 meters and is excellent for mounting under/over the license plate or recessed in the grille. Comes with mounts for center or side mounting. Equipped with an outgoing cable with a 3-pin DT connector for quick and secure connection.
