

## LAZER WORK LIGHT UTILITY50 R65

Art.no: 18-00050-B

The Lazer Utility-50 with built-in warning light is a 50W work light that combines high performance, style, durability, and functionality. It is versatile and suitable for a wide range of applications, including vehicles and machinery. The warning light is E-approved according to ECE R65 Class 1/XA1. With a carefully selected color temperature of 5000K, the Utility-50 delivers powerful lighting that is comfortable to use over extended periods, thanks to its high color rendering index. The light comes with a black-painted stainless steel bracket for added durability.

### Technical information
