

RAIDEN FIT 1523MM AMBER FH

Art.no: 35-RAF1523-FH

The Raiden FIT is an innovative warning light bar designed for high performance and easy handling. With an ultra-low profile of only 4 cm, it blends perfectly into the vehicle without compromising visibility or functionality. The bar is fully equipped with orange diodes in all positions and meets both ECE R65 Class 2 and ICAO approvals, ensuring maximum safety and compatibility in various environments. The Raiden FIT features an automatic dimming function that adjusts the brightness according to ambient light, ensuring optimal visibility day and night. Additionally, it is easy to maintain thanks to a removable cover, making it convenient to replace modules when needed. With its combination of innovative technology, user-friendliness, and sleek design, the Raiden FIT is the perfect solution for vehicles requiring high-performance warning lights. For easy installation, the bar comes with a 3-pin AMP HDSCS connector, tailored for Volvo FH cabins.

THE MOUNTING FOOT IS SOLD SEPARATELY AND IS NOT INCLUDED.
